La Campana has become an incredibly popular village within the greater Marbella area.

You can however still get a good deal in this up and coming district.

This apartment for example, offers the buyer an opportunity to purchase a beautiful two bed apartment in the municipality of Marbella, that's only a few minutes drive from San Pedro, from Puerto Banus and the old town of Marbella.

However, going out in the evening in La Campana is getting better every year, with new bars and restaurants opening almost every month. You are spoiled for choice in La Campana and everything is within walking distance.

The apartment itself is charming and hardly ever used, so still in excellent condition.

You could really just turn the key and start living here tomorrow
