THIS UNIQUE FINCA is a gorgeous retreat — a fabulous Cortijo with so much rustic charm, unique features and that traditional Andaluz character. Hard to describe with words, must see it in person to appreciate it's karma, it's warmth. But the most important part: it enjoys complete PRIVACY, very peaceful surroundings, and MAGNIFICENT VIEWS of the mountains to the west and Mediterranean sea beyond! The property has a southwest orientation. Fabulous front covered porch and spacious open terraces, perfect to chill-out on, dine "al fresco" with family and friends, and to catch all the beautiful sunsets. A superb barbeque area with a proper pizza/or bread oven, worktop and built-in seats.

The property has over 13,000 m² of land which allows for stables, a paddock, horses in the future. Ideal for horse lovers ? or for those that want to run their own business from home creating a boutique country guesthouse or B&B.

MAIN HOUSE:

The main villa is built all on one level — no steps! Making it an easy property to maintain.
