Lovely 2 bed 2 bath ground floor garden apartment in the upper part of Naguelles, in the complex Jardines de Sierra Blanca

The house is in excellent state, due to its east facing orientation your terrace is bathing in morning sun.

The half open kitchen is very well equipped and gives a modern touch to the classically furnished apartment, witch can be modernised very simple with a different color of paint on the walls and more modern furniture.

The apartment comes with an underground parking space and a storage room.

There are lots of wardrobes in the apartment and a separate area for the washing machine and dryer.
