75 square meter apartment located on the third floor of a building without elevator. It is a very small community with only six neighbors.

Located on the main avenue of the town, with all kinds of services just a step away and a few minutes walk from the center. The house built in 1992, and partially renovated, is distributed in a spacious and bright living-dining room with a hot and cold wall split and a large window with clear views, a kitchen, a bathroom with a shower and three bedrooms equipped with Built-in wardrobes and ceiling fans.

Along with the home, included in the sale price, a parking space of 11 square meters is included, which offers a plus to your home.

With large windows and unobstructed views, this home has natural light for much of the day, and plenty of ventilation.
