Your den of space and tranquillity in San Pedro de Alcantara is here!

Super spacious and very private semi-detached house in San Pedro's Alta Vista area. Hidden away from the buzz and hassle from the old town but a short walk from all types of amenities, we find this 3 bedroom 3 bathroom house all on one floor for easy access and convenience.

Located in a quiet cul-de-sac and offering green views to the nearby gardens, the house was totally refurbished in 2009 and offers 3 double bedrooms, 2 of them with their own en-suite bathroom, and an additional shower room.

The fully fitted kitchen has Bosch appliances a pantry and plenty of storage and is complemented by the adjacent store room and interior patio, which brings natural light into the hallway and is currently utilised as a laundry room to keep clothes out of the way.

The large living-dining room is flooded with light and gives access to the magnificent wrap-around terrace. This space adds 62m² square meters to the already generous accommodation. The water fountain adds a charming focal point to the terrace and is perfect for relaxing or napping on summer afternoons.
