### HIGUERÓN – NORTH RESIDENCES

Where architecture and nature merge in a dream project – only 6 villas and 26 apartments with views of the Mediterranean Sea, surrounded by native vegetation.

Higuerón Residences is designed and inspired through the architecture, following the avant-garde essence and using sustainable materials.

A unique architecture with its own identity, as well as an intelligent design and materials of the highest sustainable qualities, are the premises of this project.

In keeping with the movement of nature that surrounds them, the apartments take a hexagonal structure, merging with the environment.

This spacious apartment are divided into two bedrooms, with an elongated sliding door to give residents the choice of dividing the apartments into two parts. The living room and bedrooms have large windows letting
