BROMLEY ESTATES

Marbella

Notwithstanding, all the tourist facilities are here, including hotels, restaurants, leisure and cultural activities, and shops. The numerous street cafes and tapas bars still serve traditional Spanish delicacies. In the 'old town' the steep, narrow streets are pedestrianised and decorated with different colour flower pots. It is a delight for photographers. You will find bars and small shops in Estepona, where you'd least expect them, all very inviting and friendly.
