Lovely two bedroom country house with beautiful plot with wonderful views in Estepona.

In a beautiful spot situated on a road between Estepona and San Pedro Alcántara we offer for sale this lovely house situated in the middle of nature and with a lot of charm.

The house was designed by the Dutch artist Esther Loffeld, although nowadays it has been given a more Mediterranean look.

It is located in an elevated position, so the sea views are breathtaking.

The garden has been tastefully designed, with numerous fruit trees and automatic irrigation system installed. A small pool will help you cool off on hot days.

Peace and good feelings can be breathed in every corner of this secret of the Costa del Sol.

And also, in only 10 minutes you can reach several supermarkets, chemists, etc. In 15 minutes you can reach San Pedro or Estepona.
