Located at the entrance of Los Pacos, this property offers an excellent opportunity both for renovation and for developing a new real estate project.

It consists of 3 bedrooms and 2 bathrooms. With a structure in need of renovation, this house allows you to design the home of your dreams, completely tailored to your taste.

You can also turn it into a great investment: it offers the possibility to build a three-story building (ground floor, first floor, and penthouse), making it ideal for developers and builders looking to maximize their profitability in a booming area.
