Nestled in the charming Andalusian-style urbanization of Pueblo Los Monteros in Altos de Marbella, this extraordinary apartment blends traditional elegance with modern sophistication. Originally two separate side-by-side duplex properties, this residence has been skillfully combined into a single, expansive apartment by removing the dividing wall downstairs and upstairs, creating a seamless and open layout. The property retains two fully equipped kitchens, offering flexibility for entertaining, extended family living, or rental potential, all while maintaining a cohesive and spacious feel.

The original 2 apartment, master bedrooms have been reformed into one larger master bedroom with a larger ensuite bathroom. This multi-level apartment boasts 2 more generously sized bedrooms, perfect for families or guests, and each with their appointed en-suite bathroom. Each level showcases breathtaking sea views, filling the home with natural light and enhancing its airy, contemporary ambiance. High-quality finishes and thoughtful design details reflect the charm of Andalusian architecture while providing all the comforts of modern living.
