Unique Triple-Townhouse Mijas La Nueva – Versatile Living with Private Terraces and great views
As one property | 6 Bedrooms | 4 Bathrooms | Large Terrace | Dual-Level Living

Welcome to a one-of-a-kind opportunity — three adjoining townhouses creatively combined into a single, expansive property. Located in the highly sought-after community of Mijas la Nueva. This distinctive 6-bedroom, 4-bathroom property is the result of a creative and thoughtful conversion of three adjoining townhouses into a single, spacious residence—offering an ideal blend of character, comfort, and functionality.

However, as the property is 3 separate title deeds, they could be converted back into separate properties.

Property Highlights:

Three Homes in One: Each original townhouse has been cleverly repurposed to create three distinct yet interconnected zones.

The first features a modern, fully equipped kitchen renovated just two years ago.

The second offers a welcoming dining area and a convenient service kitchen.

The third serves as a cozy lounge area, perfect for relaxing or entertaining.

Seamless Indoor-Outdoor Living: The entire front of the home opens up to a large shared terrace boasting spectacular views—ideal for al fresco dining and enjoying the tranquil surroundings.

Private Bedroom Wings: Upstairs, the layout retains the charm of the original townhouses, each with its own staircase leading to two bedrooms and a bathroom—offering complete privacy and independence for family members or guests.

The front bedroom in each wing is a bright double with access to a private upper terrace.

The back bedroom is a cozy twin with built-in wardrobes.

Additional Features:

Air conditioning throughout for year-round comfort

Jacuzzi hot tub for ultimate relaxation

Abundant communal parking available nearby

As this property is comprised of three originally independent townhouses each still retains its own title deed.

A rare find in a character-rich location like Mijas la Nueva.

We have the keys and are ready to show you!
