Ground Floor Apartment with Private Patio – Central San Pedro de Alcántara
Comfort, quality and an exceptional location in Edificio Arquillo II

We are pleased to present this charming ground-floor apartment with 2 bedrooms and 1 bathroom, located in Edificio Arquillo II, a private residential complex with a swimming pool, gardens and spacious communal areas, right in the heart of San Pedro de Alcántara.

Built in 2001, this building stands out for its solid construction, excellent maintenance and the peaceful atmosphere of a well-established community.

The property offers a comfortable and functional layout, perfect for year-round living or rental investment with strong demand, requiring no immediate refurbishment:

Marble flooring throughout the apartment.

+34 952 939 460 · info@bromleyestatesmarbella.com Urbanizacion El Rosario, CN340, Km 188, Marbella,
Malaga 29603

High-quality interior carpentry.

Air conditioning installed.

Security bars on all windows.

Private interior patio, ideal as a laundry area or small relaxation corner (moderate natural light due to its interior orientation).

The community is one of the property's greatest assets:

Communal swimming pool surrounded by landscaped green areas.

Beautifully maintained gardens all year round.

Spacious communal areas and bright, pleasant walkways.

Secure gated building with controlled access, intercom and lift.

Quiet, family-friendly environment with year-round residents and owners who value order and good coexistence.

Location: Edificio Arquillo II – Central San Pedro de Alcántara

Just steps from the Health Centre, supermarkets, schools, pharmacies, public transport and all kinds of shops and services.

The area perfectly combines urban living with a safe and comfortable residential setting — ideal for those seeking a permanent home without needing a car.

Excellent investment opportunity:

Thanks to its location, quality finishes and community facilities, this property is perfect both as a main residence and as a long-term or holiday rental, guaranteeing high demand and stable returns.
