MARE SAN PEDRO — more than just an apartment by the sea. It’s a statement.

A contemporary residential complex on Mediterranean Avenue, just a few minutes’ walk from the beach and the San Pedro promenade — one of the most charming and well-kept areas on the coast. Everything here is thoughtfully designed: peace, security, lush greenery, and at the same time, walking distance to restaurants, cafés, and all urban conveniences.

The three-bedroom apartment is spacious, bright, and features a large terrace overlooking tropical gardens and the swimming pool.
The layout is ideal: a living room with panoramic windows, a modern kitchen, a master bedroom with an en-suite bathroom, and additional bedrooms with natural light.
Finishes and materials are of the highest quality — clean, modern, and elegant.
