Testimonials

I would also like to specially thank Melissa for her impressive dedication and support during the days prior to the visit and the two days we have spent together.

It has been a great experience to meet her. She has been a fantastic adviser, determined, close to people, patient, very well prepared and positive minded. She has made visits easy going (challenging with two kids), allowing a perfect overview of both properties and living areas, neighbourhoods...

When we first made our enquiry we were assigned to Maurice. Well, what an experience! What a character, he seems to know everyone in Marbella and everyone certainly knows him! On a serious note, the guy simply wants the best for the client, understood our needs very quickly, showed all the patience in the world (required it too!) and worked with us to find the right area and right property! Negotiators Chris and Russell both worked hard on our behalf too (again, required) and had our best interests at heart as their clients. Thanks Team Bromley and thanks Maurice ?

I want to thank James and Antonio for the good treatment I have received, very kind, attentive and very professional people.

I just want to thank you both for having Emma look after me throughout the whole process of purchasing my new property at Lars Bay. Your company did a great job in getting me a buyer for my previous apartment which I had bought from you at Benalmadena Hill Views and then when I wanted to purchase me new apartment, you selected Emma as my new contact person to help me in my search. That decision worked out great for me, because you could not have selected a better person to look after me. I can honestly say that if it was not for Emma, I probably would not have purchased my new Lar Bay apartment from your company. From the very start of my search, when I began looking for the apartment, Emma was fantastic. She picked me up at the airport, got me to my hotel and genuinely listened to all the different criteria I wanted in my new place. There was no hard sell or pushing me to look at apartments which clearly did not suit me. Emma went out of her way to make sure each one of the apartments she showed me were within my budget, in the right location and the correct size with the 3 bedrooms I wanted. She also pointed out all the pros and cons of each apartment we looked at – that in itself told me a lot about Emma's integrity and truthfulness. Because of Emma's choices I could easily have picked any of the apartments she showed me,

and I would honestly say I would have been very happy – but in my opinion Lars Bay was really outstanding and I am extremely happy with my purchase there. After I signed the contract ,which again Emma made extremely easy and simple, she kept in constant contact with me and does so even now – even checking in with the Developer on the progress of construction. I do not think there are many agents who would go out of their way to do any of this. From my perspective, I have a very successful construction / steel business in California, USA., with over 50 employees, and I truly believe that much of my success is without doubt due to the quality, loyalty, and integrity of my employees. I do not really know anything about your other employees but if they are all like Emma, your company will most definitely be very successful now and in the future. Emma is the best agent your company could possibly have. Thank you,

Emma - Brian

Hello, my experience in search of a property or apartment in the Marbella area was long and quite insipid with respect to the agencies or representatives of said agencies. Until I met Pedro Tomé, your agent, who I was amazed by his zeal and tenacity, we could not materialize with Because of the search we achieved a direct acquisition with our seller who never placed an advertisement. However, I will recommend Pedro to everyone I know, I know you will love his treatment

THANK YOU Ana for excellent care and professional advice. Super Service and professionelle Beratung! Excellent and professional service!

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or

something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
