This is an excellent investment opportunity to purchase the structure of a villa along with architects plans and a licence in place in order to finish the project. The plans are for a contemporary villa and include everything you would expect in a luxury villa Montemayor. The plot is located in a private and elevated position giving fantastic views spanning the mountains and the Mediterranean Sea as far as Gibraltar and North Africa. .

Montemayor is located close to Benahavis village which is arguably one of the most popular mountain villages on the Costa del Sol and famous for its excellent gastronomy. The quaint whitewashed houses align winding streets, and restaurants seem to adorn every corner. It is surrounded by several golf courses, a mecca for adventure sports in stunning countryside setting. Montemayor is also just a short drive to the beaches and amenities of Puerto Banus, San Pedro and Marbella.

Owning a luxury villa in Monte Mayor offers the best of both worlds, the complex is peaceful and private with twenty four hour security yet it is just a few minutes from the hustle and bsulte of the coast.
