Testimonials

A gentleman, very very professional, it's a pleasure to work with people like Pedro. Without a doubt, I will go looking for options and opportunities to invest in the area and ask for advice and rely on their advice. A pleasure. Szabi.

I would just like to send a brief communication in relation to the service and experience I have encountered since using Bromley Estates. I was introduced to Ms Giselle Dean, who has demonstrated the epitome of customer service excellence. Her communication and friendly persona is a quality that is not always demonstrated in your industry and I assure you she is an asset to your business. As you well know, a buyers experience when searching for a second home can be both frustrating and daunting. Nothing was too much trouble for Giselle as she digested my response and dusted off and went to the next property. She did so without being phased in any way when a property was deemed unsuitable. As a recently retired Executive Chairman, I have always had a large business portfolio. During my time, I have employed many hundreds of people. However Giselle demonstrated nothing but quality and impeccable manners throughout, surpassing her duties throughout. I felt it was important for the Senior Executives in your company to know that your asset in Giselle was identified as pure quality and shone your business in the most excellent shades of light. I look forward to completing on my new holiday home and will endeavour to both use Bromley's again for investment, whilst fully recommending its services to my wider network.

What can we say about Maurice? Wow! What a positive experience we had from start to finish. His knowledge of Costa del Sol and real estate market are remarkable and for a new buyers he is a great ambassador for Bromley Estates. His humour and wit has a way to make a stressful time of buying a new property seem fun and enjoyable. Trusting our agent was key for us and Maurice's professional approach satisfied this requirement. We would definitely recommend to others the Bromley Estates company with contacting Maurice to work with.

Happy first time buyers in Marbella

Maurice - D and O - Marbella

Roy and I came to the Costa Del Sol for the first time with our future property search in mind. We loved the coast and realised that we wanted to be near beach side. Our wonderful day out was with Maurice Boland

who greeted us at our Hotel and from 10 am Sat morning to 9 o clock Sat night, , we couldn't get rid of him!!! he gave us the best days viewing we could have asked for. Nothing was too much trouble and with the fantastic personality that Maurice oozes we laughed too much, if that is possible. Even when we saw the one that we loved we were left to make our own decisions in the end., I was planning to be a bit more tongue in cheek about Maurice and the service we got but I can genuinely say both Roy and I found a wonderful pal in Maurice and he continues to be there for us.Bromley Estates has been a true pleasure. Pipp and,Chris Thank you too, now hurry up with the keys!!!!xxxJoking!!x

Melissa has a real depth of knowledge of knowledge of the local property market in and around Eliviria utilising numerous local contacts to ensure property details match her customers must haves. Melissa successfully identified the ideal property for us and beyond making an offer continued to help us on the purchase journey, matching us to professional legal and financial institutes . We could not recommend her highly enough - thanks for everything

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or

something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
