Real Estate Marbella

Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Dear Maurice, it is with great pleasure to write some lines about Sylvia's and my experience during our real estate search on the Costa del Sol and your involvement. We have known the area for more than 20 years before we started to look into a REO /villa investment. Having talked to some RE brokers before, we immediately saw your deep understanding about the local markets and your valuable insights into various locations and sellers. The properties you showed us were all to our satisfaction and met the criteria we had asked for, hence no "time wasting with you"! We liked especially your attention to detail, from building material and implied costs, to maintenance and running costs. Once we focused on an investment your insightful and calm way to broker the deal (in a very tough market, i.e. post-pandemic), helped to cling a deal, which we were happy with. Sylvia and I are happy to recommend your REO brokerage services on the Costa del Sol to any of your new clients in the future. With best regards

Our family had dreamt about a winter home in Spain for quite some time. As I decided to retire, we contacted several agencies in the Marbella region to explore what might fit our needs. Very first conversation we had with Imogen left us with the feeling that she not only listens to us but also hears what is on our mind. I mean she did not flud as with expensive options first but rather provided a view of different types of opportunities and we changed our initial wish to subtle close to the beach to calm and sharmy Benahavis. She was so helpful with everything not only through the acquisition process, but later on as well helping us to understand how things work in the Marbella area. I guess everyone has the feeling that in some situations of our life destiny sends us right person. Imogen is that person for us, proud we became friends. Thank you, Imogen.

Dear Ms Hayley, My name is Masha and I am a flight attendant for Emirates Airline living in Dubai,UAE. I just wanted to steal a few minutes from you and praise your agent Emma Paterson. I was welcomed to Marbella with the most sincere and warmest hospitality I could have only wished for. It was my first time travelling there (and,oh,I have travelled the globe) and Emma made sure not to be even a minute late to pick me up at the airport. She is a lovely,friendly,superfun and hard hardworking real estate agent with the great vast amount of knowledge about the real estate and she had a quick response for all my questions about where to buy,what to look for,what to stay away from,etc... I felt safe and secure in her company from the first minute she said hello to me,which is so very important in any customer service industry. I have already given her contact details to a few colleagues of mine in Emirates Airline and I always make sure I mention her skills when I show my lovely apartment to pretty much anyone. We spent almost half a day

together every day which just proves that she was so dedicated to me and made sure that I was not left alone in a foreign place. Emma is a great companion to be around with as she has a fantastic sense of humour which makes the long day go by so much easier. I think that she is a great asset to your company and I will always visit her whenever I come to Marbella.

Emma Paterson Masha

What an amazing team and a wonderful experience. Starting with Ben who initiated our property search, helped us formulate a plan and shortlist a potential selection of properties along the costa del sol he was brilliant. But he was the warm up act for the amazing Emma who's knowledge, patience experience and ability to connect deeply with us as buyers was the most important factor in us deciding to buy a lovely property in La Calla. Emma is totally extraordinary in her knowledge of the property market but also in matching this to the needs of her clients. i can truly see why she is the magical mystical No1 property finder in Spain!!

We have just recently celebrated our one year anniversary on purchasing our dream holiday home in Estepona. Huge thanks to Taryn for helping to make it happen. Taryn could not have done more for us during the process; from sending lots of options on email, providing video calls to show us properties whilst we were in the UK and lastly setting up the in person viewings when we got to Spain. Taryn made the whole process simple and fun and took a real care in making sure we had the best experience possible. As a result it made the potential daunting task of buying a property abroad easy. The service didn't just end at the point of sale, I was blown away with the aftercare, Taryn helped so much with things like being there for the snagging in the new apartment, setting up internet, even down to getting the locks changed. She still keeps in touch now to make sure everything is going well. We would highly recommend Taryn to anyone on purchasing their dream home on the Costa Del Sol.

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-

most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
