Cypress House is situated on a unique plot with a constructed area of 450 m² of living space not including parking, gardens, terraces and solarium.

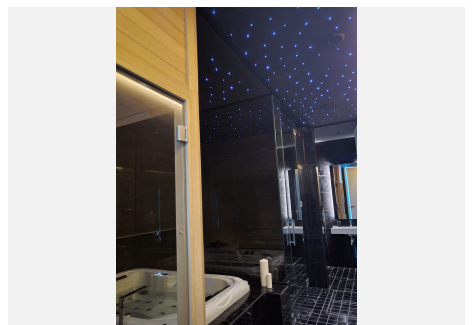

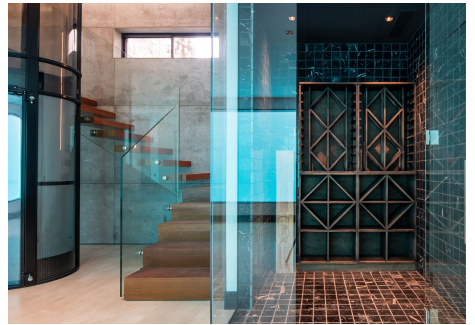

On the ground floor, you will find impeccable interiors characterized by an open layout with double-height ceilings that seamlessly connect the living room, dining room and kitchen. The custom-made kitchen designed by Bultahup and with Gagennau appliances turn this room into a visually appealing and functional space to further enhance the cooking experience. In addition, it has a guest toilet.

On the first floor we find two elegantly decorated master bedrooms with en-suite bathrooms and dressing room. The bathrooms feature a double vanity with LED lighting, a freestanding bathtub, and a shower, ensuring that the high quality of the interiors is maintained throughout the home. The solarium in the rooftop offers panoramic views of the sea and the mountains, creating an additional space for entertaining and relaxation.
