Occupying an expansive 2,990 m² plot surrounded by protected cork oak woodland, this luxury designer villa for sale in La Mairena, Marbella with panoramic sea and mountain views is distinguished not only by its architecture, but by the extraordinary level of thought invested in every decision behind it. Created as a home to be lived in for years rather than prepared for the market, it showcases bespoke design, carefully selected materials and outstanding workmanship.

The villa enjoys an enviable level of privacy alongside breathtaking panoramic views that stretch across the mountains to the Mediterranean. Designed to maximise natural light, dramatic floor-to-ceiling glazing fills the interiors with sunshine, while the striking double-height living room, overlooked by an elegant gallery, creates an unforgettable first impression. A remarkable sense of balance defines the interiors, where impressive proportions are matched by a warm, welcoming atmosphere.

Hand-carved from a single block of natural stone, the statement kitchen island, commissioned exclusively for the current owners, forms the heart of an open plan kitchen that is every bit as functional as it is beautiful, creating a wonderful space for entertaining while serving as a sculptural statement. Interior design by the renowned Harper Charles Company continues throughout the property, where high-quality finishes, carefully curated furnishings and impeccable attention to detail create a property of true distinction.

The accommodation offers four beautifully designed bedroom suites, including a magnificent principal suite and a luxurious dressing room with a dedicated make-up area that can easily be reinstated as a fourth guest bedroom if desired. Four elegant en suite bathrooms, air conditioning, central heating, underfloor heating in the bathrooms, a smart home system, lift, utility room, laundry room, storage areas and a garage ensure the highest levels of everyday comfort.

Entertainment takes centre stage on the lower level, where every space has been created for enjoyment. Watch the latest releases in the private cinema, perfect your swing in the golf simulator, challenge guests in the games room or gather around the bespoke cocktail bar before moving outdoors. Landscaped gardens, a heated swimming pool and generous terraces create an exceptional setting for relaxation, while the spectacular rooftop solarium with its outdoor kitchen and barbecue provides an inspiring venue for sunset dining and entertaining beneath the Mediterranean sky.

Just ten minutes from Elviria and the coastline, La Mairena delivers a lifestyle where nature takes precedence without compromising convenience. Surrounded by protected woodland and characterised by spacious residential planning, the area enjoys a feeling of openness and privacy, with championship golf courses, hiking and cycling trails, international schools, Marbella's town centre and Puerto Banús all close at hand.

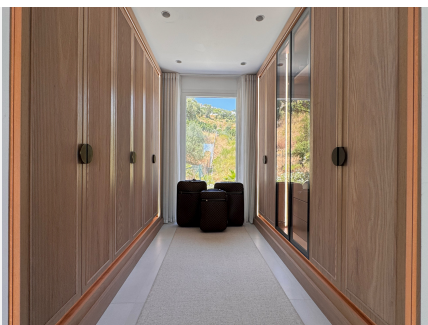

For those seeking a contemporary property that offers genuine individuality, this design-led villa in La Mairena, Marbella, deserves closer inspection. It is a home whose quality is best appreciated through the experience of living in it, where architecture, craftsmanship and setting come together in a truly memorable way.
