sunshine and enjoying the spectacular views.

Coín is a warm and welcoming town offering a perfect blend of tradition and modernity, with stylish shops and establishments merging with traditional fairs, craft festivals and farmers' markets. It is strategically located just a 25-minute drive to the beaches and coastal towns of Fuengirola, Mijas Costa, Marbella and Malaga city centre and there are two golf courses within a fifteen minute drive. The beautiful natural landscape with endless trails and stunning rivers provide excellent opportunities for hiking, cycling, and horse riding and make it extremely popular with those wanting an active lifestyle away from the hustle and bustle of the busier coastal towns, but close enough to all the action.

You can enjoy all of this wonderful scenery from this villa and yet it is only a two minute drive to a large shopping centre with shops, cafeterias and restaurants, an excellent gym and spa and even a cinema showing films in English twice a week. The town has its own health centre, sports and entertainment facilities and a great selection of shopping and dining options and all the amenities and services you would expect of a modern town.

The blend of nationalities in Coín has created an enriched and welcoming environment with residents wanting to enjoy a quieter life in the countryside and visitors looking to enjoy rural tourism experiences. This villa offers the perfect opportunity for you to enjoy a slower pace of life with access to wonderful nature or it would make an ideal holiday rental. A great villa in a wonderful location!
