Step into a visionary creation in the heart of the Costa del Sol. This luxury new build villa with modern design in Nueva Andalucia, Marbella by the acclaimed design firm NMObe is a seven-bedroom seven-bathroom home that blends natural earth tones with contemporary architecture. Every surface and texture reflect a sense of quiet elegance and intentional design. Currently under construction with completion expected between December 2025 and January 2026, this home brings together minimalist lines and organic warmth in perfect balance.

Expansive floor-to-ceiling glass walls invite the outside in, flooding every corner with natural light and showcasing a private tropical oasis. The clean, sharp lines of the architecture contrast yet harmonise with the lush greenery, creating a sanctuary of calm and exclusivity. Multiple sunlit terraces surround the villa, offering open-air spaces for relaxation or social gatherings. The infinity-edge pool appears to merge with the surroundings, offering a stunning visual flow, while the garden's carefully planned landscaping enhances privacy and natural beauty.
