Designed by acclaimed architect Diego Tobal, this luxury contemporary villa for sale in La Quinta, Benahavis with panoramic sea views is a masterpiece of modern design and Mediterranean elegance, offering six luxurious bedrooms, seven plus three bathrooms, and uninterrupted scenery extending to Gibraltar and the African coastline.

Featuring expansive glass-fronted living spaces, refined Mediterranean touches that complement the sleek contemporary lines, and state-of-the-art amenities that radiate sophistication and light, the villa offers open-plan living and dining areas flooded with natural light. The premium kitchen opens directly to these spaces, creating an environment equally suited to grand entertaining or intimate family moments. Floor-to-ceiling glazing connects the interior to the striking infinity pool and terraces, inviting residents and guests to enjoy the sun, panoramic sea views, and outdoor living at every turn.

Marbella

The lower level offers a fully appointed private suite, providing flexibility for guests, extended family, or personal retreat. Outdoors, expansive terraces, manicured lawns, and lush gardens open onto the breathtaking scenery, offering both privacy and a serene connection with the surrounding landscape. Residents enjoy access to exceptional amenities including a private cinema, entertainment room, and fully equipped gym, all within a gated community with 24/7 security and a private guard for total peace of mind.

La Quinta and Benahavis are among the Costa del Sol's most distinguished addresses. La Quinta is celebrated for its championship golf courses and luxury residences, while Benahavis brings together charm and sophistication with Michelin-starred dining, boutique shopping, and a village atmosphere rich in Andalusian character. Both areas provide a sense of tranquillity while remaining within easy reach of Marbella's cosmopolitan lifestyle and the glamour of Puerto Banus. The region is also home to highly regarded international schools, making it ideal for those considering full-time living. With more than 320 days of sunshine each year, residents enjoy a lifestyle where elegance, leisure, and natural beauty exist in perfect harmony.

Every detail of this property has been conceived to embody refinement and contemporary elegance. It offers an exceptional lifestyle of privacy, comfort, and distinction, where every element, from design to location, speaks to discerning taste. For those seeking a luxury property that defines prestige and Mediterranean sophistication, this villa stands as a rare and extraordinary opportunity on the Costa del Sol.
