This luxury semi-detached villa with panoramic sea views for sale in Benahavis is built across four levels to capture the Mediterranean at every angle and sits within over 5000 square metres of beautifully maintained gardens and green areas. The setting offers an elevated sense of privacy within a gated boutique complex of just 13 homes, supported by a dedicated concierge service, creating an environment where refinement, comfort, and exceptional natural beauty come together.

The main floor opens into a spacious living and dining area that flows into a contemporary open-plan kitchen, where dramatic walls of glass lead to 100 square metres of covered and uncovered terraces and a showstopping infinity pool. A guest toilet completes this level, bringing together style and practicality. Upstairs, three bedrooms deliver light-filled comfort, with two sharing a bathroom, and all opening onto terraces that catch the first glow of the morning or the rich colours of the evening sky.
