Behind tall palms and manicured gardens, a home emerges that marries classic Mediterranean architecture with modern Scandinavian clarity. This luxury, newly refurbished villa for sale in Nueva Andalucia, Marbella, spans three levels each one offering a new perspective on light, landscape, and the art of living well.

Four bedrooms and four bathrooms are arranged to maximize space, light, and comfort, creating a home that feels both grand and welcoming. The main level draws you in with an open-plan layout, a striking Swedish-designed kitchen, and living spaces that spill naturally onto sun-drenched terraces that merge with the garden beyond. A guest bedroom with its own bathroom completes this floor, providing a quiet retreat for visitors. Upstairs, two generous bedrooms with en-suite bathrooms open directly onto terraces, where sweeping views stretch across the tranquil surroundings. The lower level houses a private guest suite, a fully equipped gym, a laundry room, and a garage for at least two cars.
