## Testimonials

Dealt with Mr Pedro for the purchase. He was very professional and helpful in helping us finding a property. He went out of his way to show us more locations and show us around the city with the facilities available. He was very knowledgeable in the areas and I can Recommend him to anyone who is interested in buying a property.

### Pedro - Masoud

Over the course of 3 days Melissa showed enormous patience in showing us around a range of properties whilst spending time really understanding our wants and needs. Melissa has a real depth of knowledge of knowledge of the local property market in and around Eliviria utilising numerous local contacts to ensure property details match her customers must haves. Melissa successfully identified the ideal property for us and beyond making an offer continued to help us on the purchase journey, matching us to professional legal and financial institutes . We could not recommend her highly enough - thanks for everything

### Melissa - Ros and Terry

Working with nice people that really know their profession is something that made buying our dream home even better. I cannot overstate what a pleasure it was to work with Sandra and her colleagues at Bromley Estates and how having her guidance enhanced our home buying experience. We can’t thank her enough for her assistance. She was attentive to our needs and tireless in her work ethic. Highly recommended!

### Sandra - Sarah

Simply, the nicest experience since we arrived to Costa del Sol! We came from Canada and had most of our belongings shipped after we left the country. After weeks of search with our first agent we started loosing confidence. Taryn, our second agent was very patient,super helpful , understanding and she did not give up on us even though we were out with her every day , for weeks .After we found our home , she helped us to get the right price and a quick move in date, since our shipping container was ready for delivery . She also helped us with recommending local services, utilities etc.Her list was endless….We needed help with everything. In the process we became friends and we can’t thank her enough for all that she did for us. Thank you again Taryn??

My husband and I have recently purchased a property in Marbella through Emma. From the first moment we spoke to her, we knew we were in good hands and she is not only very professional but her knowledge and

support throughout the whole process has been second to none. We currently live in Hong Kong and even with the distance in mind, we felt very well take care of and as if we were here main priority the whole way through. As far as customer service levels go, it doesn't get any better than this experience. I made the trip to Marbella from Hong Kong last week having been in touch with Emma for only a few days. This in itself shows how she was able to pinpoint exactly what it was that we were looking for, bearing our budget in mind. She held my hand for the entire week that I was here showing me the plot, meeting with the developers, architects and lawyers and even assisted with my trips to and from the airport. She went above and beyond and as I was alone without my husband and children, she made me feel very safe and supported the whole time. She also provided me with advice on the local schools which ultimately has led me to choosing the one that I would like my children to attend. All in all, my husband and I only decided to consider Marbella as a place to move to just three weeks ago, and in that time we have not only decided that this is a good place for us to relocate our family to but we have also bought a property. Emma has made this an easy decision for us to make and she is entirely responsible for this happening so quickly . She has been an absolute pleasure to work with and we are looking forward to the completion of the property so that we can make the big move over to sunny Spain.

### Emma - Jade

We acquired our apartment in Estepona via Anke Parijs who first gave us a thorough lay of the land in the region over a long weekend. Once we made our decision, Anke constantly went the extra mile to facilitate the acquisition, introducing us to banks, notaries, etc.. for a smooth acquisition. But she did not stop there and today she continues to work relentlessly to help us solve tiny and common post-acquisition issues as we are not (yet) local residents. To us, this is invaluable. Anke goes above and beyond and we are very happy to introduce her to friends who are also considering an acquisition in the Marbella region as we know that Anke will take very good care of them. Thank you.

## Frequently Asked Questions:

### Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain

their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

## Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

## How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

## Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

## Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

## Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

## How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don’t live in the area or wish to relocate from a different country. But that’s why we’re here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea7 Twb an id in Marbenew prop,once ion ntho Twbonlterms [(Sehese)]
