Testimonials

Simply, the nicest experience since we arrived to Costa del Sol! We came from Canada and had most of our belongings shipped after we left the country. After weeks of search with our first agent we started loosing confidence. Taryn, our second agent was very patient,super helpful , understanding and she did not give up on us even though we were out with her every day , for weeks .After we found our home , she helped us to get the right price and a quick move in date, since our shipping container was ready for delivery . She also helped us with recommending local services, utilities etc.Her list was endless….We needed help with everything. In the process we became friends and we can't thank her enough for all that she did for us. Thank you again Taryn??

Taryn - Laszlo

We have decided to give our apartment in the hands of Anke to sell, always friendly, professional and nothing is too much. After each visit we get an explanation of how and what, we already know that it will be sold in the short term. Go ANKE!

Impecable service. Antonio Roldan pays great attention to detail and understood from the start what it was I was looking for. Educated, respectful, friendly and attentive. Will recommend Bromely Estates to my friends. Thank you Antonio!

Antonio - Genny

I would like to say a big thank you for the professional, helpful and friendly assistance from Grace (so please thank her on my behalf) and with regards to Pedro, well he went above and beyond all expectations, what a lovely guy and really knowledgeable, helpful, friendly and extremely professional person. A real credit to your company. I have Pedro´s number and will be certainly keeping in touch moving forward with anything to do with our own property or if we would like to view anything else. Can you please make sure Pedro´s managers are made aware of what a credit he is to the company and the business. I am sorry I haven't been able to speak but its quite a busy day for me today. Kind regards Jon

Pedro - Jon - November 2022

Melissa is a very dedicated estate agent with great attention to details. She is always available when you need her and will go the extra mile just to make you the customer satisfied with your decision. She is also good at giving unbiased advice about things related to real estate and will help you make a better decision when it comes to all the choice options that you have buying or selling a property here in Spain. I highly recommend her as a go to person with everything related to buying or selling a property. She is the Queen of real estate and customer experience on Costa Del Sol!

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

If you’re unsure of the right location for you, please don’t hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we’re always happy to help. Just tell us what you have in mind and we’ll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there’s no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you’re planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don’t live in the area or wish to relocate from a different country. But that’s why we’re here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you’re welcome to get in touch with our real estate specialists at any time. Whether you’re contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
