My husband and I have recently purchased a property in Marbella through Emma. From the first moment we spoke to her, we knew we were in good hands and she is not only very professional but her knowledge and support throughout the whole process has been second to none. We currently live in Hong Kong and even with the distance in mind, we felt very well take care of and as if we were here main priority the whole way through. As far as customer service levels go, it doesn't get any better than this experience. I made the trip to Marbella from Hong Kong last week having been in touch with Emma for only a few days. This in itself shows how she was able to pinpoint exactly what it was that we were looking for, bearing our budget in mind. She held my hand for the entire week that I was here showing me the plot, meeting with the developers, architects and lawyers and even assisted with my trips to and from the airport. She went above and beyond and as I was alone without my husband and children, she made me feel very safe and supported the whole time. She also provided me with advice on the local schools which ultimately has led me to choosing the one that I would like my children to attend. All in all, my husband and I only decided to consider Marbella as a place to move to just three weeks ago, and in that time we have not only decided that this is a good place for us to relocate our family to but we have also bought a property. Emma has made this an easy decision for us to make and she is entirely responsible for this happening so quickly . She has been an absolute pleasure to work with and we are looking forward to the completion of the property so that we can make the big move over to sunny Spain.

Emma - Jade

The Bromley team were fantastic! We made contact with Ana Cristina and she sent us some properties to consider based on our input, recommended a local hotel, and introduced us to Pedro to show us the properties we liked. We went to Marbella with only one day notice and Pedro accommodated our schedule, quickly arranged the viewings, even called in a favor with a contact to gain access to a property on the weekend, which is not typical, then drove us to the train station in Malaga after we secured the property of

our choice. Thank you Ana Cristina and Pedro!

Ana - Lance

Having decided on buying a property in Spain, I Googled some estate agents and chose one with multiple properties for us to view. Made contact and arranged to meet when we visited Costa del Sol Bank Holiday weekend. We chose around 8 properties to view. In the meantime, a friend recommend Bromley Estates as they had sold a property to a friend of a friend and he had a great experience. I'm so glad we got this recommendation. Emma at Bromley Estates contacted us several times before we flew out to find out the type of properties and areas we wanted to consider. We were only considering Benalmadena Pueblo. Emma picked us up from the airport on Friday night and took us to several apartments and town houses, new builds and old. By the end of the afternoon/evening Emma had taken the time to find out exactly the type of property that would make us say Wow! Saturday morning we were booked to see the other estate agent and very much looking forward to viewing the 8 properties. You can imagine our disappointment when we were picked up by someone we hadn't spoken to before our trip, told us they cancelled all the properties as they didn't believe that's what we were looking for and proceeded to take us to a new development called Serenity that is be finished in 10 months – 2 years time. No, no, no. That's not what we asked for. An hour later we were back at our hotel. Emma to the rescue. I called her and told her what had happened, give me ½ an hour she says, I'll pick you up. So off we go again with Emma to view more properties. After exhausting everything that was available in the area we had set our heart on, Emma suggested we take a drive. She took us to Calahonda and La Cala and gave us so much information, showed us the beaches, the bars, the restaurants, even the local butchers. We loved it there and realised that this area suited us much better than Benalmadena Pueblo. Final property of the day was a gorgeous 5 bed town house in Calahonda. We fell in love. Beautiful. However, it was slightly over budget. Sunday morning I emailed Emma to say we love the property but would like to see more in that area to see what else is available. With Emma, nothing is too much trouble. I'll pick you up at 9.30. So, on a Sunday Emma was making the relevant calls to get us viewings for Monday morning. Again Emma arrived to pick us up and take us to another handful of properties, then back to the beautiful 5 bed town house. We bought. I can't recommend Emma and Bromley Estates enough. They certainly took good care of us and there was absolutely no pressure to buy. Both my partner and I felt that they had our best interests at heart and wanted to find us a property we wanted to buy, rather than trying to sell us any property. Thank you Emma. One in a million. You're always welcome at our gorgeous place in the sun.

Huge thanks to Ana of Bromley Estates Marbella Property for her outstanding advice though-out my research and continuing. Ana knows her market inside-out, and she always has her ear to the ground for relevant local information ... but most importantly she really connects with and listens to a buyer, and understands their requirements perfectly, all the better to guide me. Many many thanks ????

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
