I was very fortunate to be able to communicate with Ana, from the very beginning of my search for a property in Marbella area. She is the hart and soul of the real estate company, always a good listener and communicator. She put me in touch with wonderful people and gave me lot of information so I could feel comfortable in a new country.Thank you Ana for all your kindness and patience

Me and my wife had a great experience with Bromley Estates Marbella. First I got a call from Patty Collin. She was very friendly and professional. This phone call was very comfortable and she asked the right questions to understand what kind of property we were looking for. She told me she will arrange a very nice agent to show us the possibilities. His name is Yuri and we spent 2 days with him. He was very attentive, social and a great person to show us around and tell us the in and outs of buying a property in Spain. He found us a very nice new development and the way he handled things was very helpful and professional. Both persons are still supporting us with any question we have. Really can recommend Bromley Estate and thanks again to Patty and Yuri.

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever ‘dream’ Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you’re looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you’re interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don’t like. Further useful information can also be found throughout our site, with detailed area guides on all of our ‘Costa del Sol area pages’ and new blogs added regularly.

Once you have an idea of your ‘dream’ Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying

process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
