Real Estate Marbella

Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Testimonials

Firstly where do I start? I cannot recommend Emma and Bromley estates enough. From my first contact with Emma she has been attentive, informative, professional and fun! Within 48 hours she lined up the 4 viewings of villas we requested to see on the golden mile plus a further 2 wild cards just outside this area. We flew out for the weekend not sure what to expect. But we got everything we asked for and more. Emma happily met us from the airport and drove us around the viewings giving us all the s enough..i ustred Emma

I worked with Taryn on the purchase of an apartment, it was an amazing experience. I arrived in Marbella in November and within two days Taryn found the perfect apartment for me. Everything was well organized and buttoned up. Taryn did a great job and made me feel comfortable throughout the entire process. Taryn was very helpful, showed properties only in line with my expectations and carried out the whole process efficiently and quickly. I definitely recommend the services of Bromley Estate Marbella and above all Taryn!

Taryn - Agnieszka

I wanted to give some feedback after going through the buying process with Taryn.

It was really hard to find agent who was ready to put great effort on showing us properties only over whatsapp videocall and answering our questions over chat. Taryn not only was polite and respectful but also very kind and propactive.

We were looking for totally different kind of apartment, but then Taryn suggested us something that we didn't know we we're looking for.

We have first viewing day before new year's eve and made the offer the same day. Through the whole process she helped us and responded to all our concerns and made us feel comfortable about the decision and purchase we completed totally remotely.

It takes a lot to trust someone from a great distance and we can recommended Bromley Estates Marbella easily for anyone considering buying a property in the area. Thank you.

Durante el proceso de búsqueda de un inmueble en la zona de Marbella/Estepona me ha asesorado Antonio y le estoy muy agradecido por su interés, consejos, profesionalidad y el conocimiento del mercado, determinantes para conseguir la mejor oferta posible. Muchas gracias Antonio.

We had the pleasure of working with Anke Parijs for our search for an apartment in or around Estepona. Due to the many choices on agency's she was not first on my list but still she was very helpful in providing all the information I needed. She is very knowledgeable of the place, the possibilities, and what is happening. While she is Dutch speaking which helps to get into some of the details, she also is very good in Spanish which allows her to really get all the information you need from the Spanish real estate world.

Anke - Caroline

I would like to offer a very heartfelt thank you for all the support we received from Bromley Estates but most particularly Melissa during our relocation to Spain. Moving country is always fraught with numerous issues and difficulties but Melissa did everything in her power to try and help relieve some of that stress. It began with us trying to buy a property in Spain, from Canada, online during a pandemic! Nothing could go wrong with that! :) In our opinion Melissa went beyond the call by visiting the property several times to take pictures and do video walkthroughs of the property and the surrounding area to give us the best feel possible. This helped us with our decision so much and boosted our confidence in our choice. Once we

arrived in Estepona, Melissa not only ran us to appointments but took us to shops to pick up things we needed to help us settle. Beyond this, Melissa even went as far as to be our emergency mail delivery service when we had some very important documents from Canada delivered to her some day.

service on top. Thank you so much, but most particularly

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
