Real Estate Marbella

Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Testimonials

Hi Mel I wanted to send you a quick email to say thank you for helping our Spanish property dreams come true. I was concerned about buying in Spain having heard some of the horror stories over the last 20 years. From the moment we started to enquire on line to the apartment visits to the ongoing support, I have found Bromley to be incredibly professional and helpful. Thank you for all your advice and support, it has made the process a lot easier that I feared. I would highly recommend Bromley to anyone who is considering buying in Spain. In particular, you listened to our requirements and only showed us properties that were relevant to our search. Friends are shocked that we only spent one day looking at properties in Spain before buying but I think that is because we spent a lot of time with Cristina narrowing our search and then on the day we did not waste any time – it also helped that we immediately liked La Cala! Thank you

Dear Ms Hayley, My name is Masha and I am a flight attendant for Emirates Airline living in Dubai,UAE. I just wanted to steal a few minutes from you and praise your agent Emma Paterson. I was welcomed to Marbella with the most sincere and warmest hospitality I could have only wished for. It was my first time travelling there (and,oh,I have travelled the globe) and Emma made sure not to be even a minute late to

pick me up at the airport. She is a lovely, friendly, superfun and hard working real estate agent with the great vast amount of knowledge about the real estate and she had a quick response for all my questions about where to buy, what to look for, what to stay away from, etc... I felt safe and secure in her company from the first minute she said hello to me, which is so very important in any customer service industry. I have already given her contact details to a few colleagues of mine in Emirates Airline and I always make sure I mention her skills when I show my lovely apartment to pretty much anyone. We spent almost half a day together every day which just proves that she was so dedicated to me and made sure that I was not left alone in a foreign place. Emma is a great companion to be around with as she has a fantastic sense of humour which makes the long day go by so much easier. I think that she is a great asset to your company and I will always visit her whenever I come to Marbella.

My husband and I had the great pleasure of working with Maurice when we bought our fabulous apartment. He seemed to know exactly what we were looking for it and showed it to us right away, saving us a lot of time and stress. As we took our very brief tour of properties he gave us a complete rundown on the real estate market and on life in Southern Spain so that by the time we put in the offer, we were completely comfortable doing so and already felt quite at home there. We could not have asked for a better experience, and now we have not only a very reliable source of good advice but also a very entertaining and lovely friend.

Anke from Bromley estate agents was absolutely superb to deal with and my family and I were amazed at her knowledge, positive demeanour and her willingness to always go above and beyond to give her clients the best possible experience. She was brilliant to deal with and allowed us to find our dream home in Spain. I couldn't recommend her enough. Thank you for everything you did for us Anke!

Me and my wife had a great experience with Bromley Estates Marbella. First I got a call from Patty Collin. She was very friendly and professional. This phone call was very comfortable and she asked the right questions to understand what kind of property we were looking for. She told me she will arrange a very nice agent to show us the possibilities. His name is Yuri and we spent 2 days with him. He was very attentive, social and a great person to show us around and tell us the in and outs of buying a property in Spain. He found us a very nice new development and the way he handled things was very helpful and professional. Both persons are still supporting us with any question we have. Really can recommend Bromley Estate and thanks again to Patty and Yuri.

Patti - Patrick

Firstly where do I start? I cannot recommend Emma and Bromley estates enough. From my first contact with Emma she has been attentive, informative, professional and fun! Within 48 hours she lined up the 4 viewings of villas we requested to see on the golden mile plus a further 2 wild cards just outside this area. We flew out for the weekend not sure what to expect. But we got everything we asked for and more. Emma

happily met us from the airport and drove us around the viewings giving us all the information we required and also giving us great insight into parts we weren't familiar with anything she couldn't answer she did her very best to find out for us. Once we'd narrowed it down she liaised with all the different agents and arranged second viewings for our chosen 2. Again collecting us and making sure everything went smoothly. She arranged an appointment with the lawyer (also exceptional and helpful) and came with us. She guided us through the whole process. Once we'd chosen a property she negotiated in our behalf and after just a 3 day visit she's helped us secure our perfect home in the sun. Also as a note it was one of the wildcards Emma chose for us. To me this shows the efforts Emma made to understand our brief and needs. We couldn't have asked for more. She went totally above and beyond what we expected. Nothing was too much trouble and everything was done with a smile and a sprinkle of Emma's lovely humour. Thanks so much Emma, We look forward to our paths crossing when we are your new neighbours!

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a bel TJ 5estment.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the

same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
