Testimonials

I would just like to send a brief communication in relation to the service and experience I have encountered since using Bromley Estates. I was introduced to Ms Giselle Dean, who has demonstrated the epitome of customer service excellence. Her communication and friendly persona is a quality that is not always demonstrated in your industry and I assure you she is an asset to your business. As you well know, a buyers experience when searching for a second home can be both frustrating and daunting. Nothing was too much trouble for Giselle as she digested my response and dusted off and went to the next property. She did so without being phased in any way when a property was deemed unsuitable. As a recently retired Executive Chairman, I have always had a large business portfolio. During my time, I have employed many hundreds of people. However Giselle demonstrated nothing but quality and impeccable manners throughout, surpassing her duties throughout. I felt it was important for the Senior Executives in your company to know that your asset in Giselle was identified as pure quality and shone your business in the most excellent shades of light. I look forward to completing on my new holiday home and will endeavour to both use Bromley's again for investment, whilst fully recommending its services to my wider network.

When we first made our enquiry we were assigned to Maurice. Well, what an experience! What a character, he seems to know everyone in Marbella and everyone certainly knows him! On a serious note, the guy simply wants the best for the client, understood our needs very quickly, showed all the patience in the world (required it too!) and worked with us to find the right area and right property! Negotiators Chris and Russell both worked hard on our behalf too (again, required) and had our best interests at heart as their clients. Thanks Team Bromley and thanks Maurice ?

Svetlana is a true professional, always offering an unbiased assessment of the market and properties she selects for you, listening carefully and focusing on what is best for you. She also genuinely cares about her clients and is extremely pleasant to work with. Her dedication and commitment separates her from the rest. She is very competent in all aspects and provides well-founded advice. Her expertise and professionalism and that of the sales agent assigned to help me find my dream property was invaluable. Thank you!

Svetlana

What a pleasure to meet Flemming. When you are buying in a foreign country it is much appreciated to speak to someone as frank and honest as him. Not at all pushy, just friendly and informative.

Flemming - John

Belated thanks to Mel at Bromley Estates for her patience and guidance throughout the purchase of our new home. We gave her quite a task to find a 3 bedroom penthouse within a tight budget but she quickly assessed our needs and came through with flying colours. When the right property came to market she had us viewing before others even knew it was available and pushed the vendor's agent very hard to seal the deal. As an agent Mel is very easy to deal with, goes out of her way to get the job done and unlike many agents she doesn't just talk, she listens. We recommend her without reservation.

Melissa - Alan & Sue

We finally found the future home of our dreams thanks to the agency and more particularly to Anke endowed with great professionalism and a big heart. She was able to accompany us well beyond her missions. A big thank you ?

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there’s something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect

destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your ‘dream’ Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn’t as straightforward as it used to be – but that doesn’t mean it’s impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn’t a definitive answer to this question – it simply comes down to personal preference.

If you’re looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
