EL ROSARIO VALLEY

Unique development project from one of the biggest development companies in Cost Del Sol. Each home is meticulously designed and executed. Our work includes an in-depth market analysis, continuous care during and after construction, and ongoing support after the sale.

El Rosario Valley is situated in the heart of one of the most prestigious residential gated urbanizations in Marbella, with high security standards, newly built roads, surrounded by extended green areas, closely located to long beautiful Mediterranean beaches and beach clubs, restaurants shopping areas and 1-minute drive to Royal Tennis Club.

The project includes 5 individual villas developed by one of the most celebrated architects of Marbella. The villas will have spectacular views on the mountain La Concha, the emblem of the Costa del Sol, and the sea views from the rooftop solarium terraces.
