Lastly, the price is right. If you were to find a modern equivalent of this property for this price, you would either have to wait for construction to end or buy a cheaper property and refurbish. This is a lock up and leave, modern home that is practically new and you pay less in taxes.

The community has a large communal pool and is always well maintained. The property comes with a storage and underground parking.

Note: This property already has the Andalusian Tourist License and is a good generator of income. A membership at Casares Golf is also included and transferrable making casual golf very affordable!
