This bright and spacious south-facing penthouse in the Sunny Golf complex boasts panoramic views of the golf course, sea, and mountains from its impressive 76 sqm private solarium — an ideal space to unwind and soak in the scenery. Featuring 2 bedrooms, 2 bathrooms, an open-plan kitchen and a sunlit living area that opens onto a generous terrace, the property blends comfort and elegance. It comes fully furnished with stylish, high-quality furniture and is finished to an exceptional standard — ready to move in.

Both the development and the golf course are perfectly integrated into the natural surroundings and enjoy spectacular scenery. The complex stands out for its high-quality construction, luxurious materials, and sophisticated design and finishings. Set in a peaceful natural setting yet just minutes from all amenities, it's also close to top golf courses such as Doña Julia, Finca Cortesín, Casares, Estepona, and La Duquesa. Tourist licences are permitted in this development, making it a fantastic turnkey investment opportunity. We already manage a similar property here that was fully booked throughout the summer season and continues to receive bookings well into the winter — a clear sign of its strong rental potential and year-round appeal.
