This summer, enjoy a communal pool just steps from the beach! This bright and stylish 112 m<sup>2</sup> apartment, fully renovated, also includes a private storage room — a rare and valuable extra in the heart of Fuengirola. From day one you can make the most of the building's communal pool, perfect for the summer months, paired with a south-west facing private terrace to soak up the Mediterranean climate. The included storage room gives you that extra space so hard to find in city-centre apartments.

The interior has been fully refurbished: a large open-plan living-dining room with direct access to the private terrace, a fully equipped independent kitchen with brand-new appliances, three spacious bedrooms, a full bathroom and a guest toilet. High-quality finishes mean the property is completely move-in ready with no additional investment required.

Located in one of Fuengirola's most convenient areas, next to the Recinto Ferial, surrounded by supermarkets, pharmacies, schools, restaurants and sports facilities. Just a few minutes' walk from the beach and the Paseo Marítimo, with easy access to the train and bus station connecting Málaga, the airport and Marbella. The A-7 motorway is close by for travel across the entire Costa del Sol.
