In the heart of one of Benahavís' most exclusive natural enclaves, Plot A16 in Monte Mayor offers an exceptional opportunity to create a fully bespoke villa in a setting where privacy, tranquillity and scenery take centre stage.

Its privileged position enjoys open views over the valley, the mountains and a beautiful lake, framed by Mediterranean woodland that delivers a true sense of retreat without sacrificing everyday convenience.

With a total plot size of 2,870 m² and a maximum buildability of 366 m², this is the perfect blank canvas to design a home integrated into nature, with generous terraces, gardens and outdoor spaces created to enjoy the southern climate all year round.

Monte Mayor is a gated community with 24-hour security and a highly regarded residential concept, with only a limited number of homes set on large plots, resulting in greater privacy, peace and a refined aesthetic.
