The beautiful staircase with a glass wall with mountain views takes you towards the first floor.

First floor:

Landing with access to both bedrooms.

The primary suite is situated at the front of the house with stunning sea views.

This very spacious bedroom has been extended by taking the 4th bedroom and designed into an incredible walk-in closed.

The primary, ensuite bathroom is fitted with a large bath tub, walk-in shower, toilet, double washbasin and great natural light.

The spacious (guest)bedroom is provided with a large built-in wardrobe and modern ensuite bathroom including walk-in shower, washbasin & toilet.

Both bedrooms have access to the large, wrap around balcony with amazing sea views.

The villa is currently set up as a 2-bedroom, 2.5-bathroom home, but can easily be converted into a 3- or even a 4-bedroom home with an extra bathroom on the ground floor.

Plot:

The villa is situated on a south facing plot of 518sqm.

The current owners have equalized the plot by extending the terraces on each side of the villa for maximum outdoor, usable space.

The gated 2-car driveway is located under the garden level, so the cars are safely parked, but out of sight from the garden for maximal enjoyment of the view.
