This unique property offers a rare combination of privacy, scale and income potential, set within a natural hillside environment above Estepona. Surrounded by countryside and open views, the estate enjoys far-reaching panoramas across the town, marina, Mediterranean Sea, the Strait of Gibraltar and the African coastline.

The villa is currently operated as a fully licensed tourist accommodation, with capacity for up to 20 guests, making it ideal for buyers seeking a property that can generate consistent rental income. The layout is highly flexible, comprising seven separate accommodation units, including two independent apartments, alongside a private owner's residence, allowing personal use without affecting the rental operation.

Outdoor living is a key feature, with a heated swimming pool, spacious terraces, mature gardens and multiple leisure areas designed for year-round enjoyment. The large plot includes approximately 50 orange trees, garden lighting, a private well supplying fresh water from Sierra Bermeja, and a 50,000-litre water
