Notable features include a home automation system, alarm, motion detectors, and hot-cold air conditioning, ensuring comfort, efficiency, and security throughout the year.

The property also includes two parking spaces and a large storage room, adding extra convenience and storage capacity.

The gated and video-monitored residential complex offers a wide range of high-level amenities designed for all ages. It features several adult swimming pools, children's pools, a playground, paddle tennis court, putting green, extensive landscaped gardens, and a comprehensive wellness area with gym, sauna, Turkish bath, and jacuzzi. All of this is set in an environment reminiscent of a botanical garden, with palm trees, flowers, birds, and a constant sense of tranquility.

Located in the Atalaya area, just a short walk from the renowned Atalaya International School and very close to a premium Mercadona supermarket, the location is especially convenient for families. It is a quiet residential area, free from crowds and tourism, surrounded by nature and offering a serene and safe atmosphere. Additionally, the property is close to golf courses, just minutes from the beach, and has excellent connections to Puerto Banús, which can be reached in approximately 10 minutes.

This is an ideal home for those seeking comfort, nature, and quality of life, in a community designed for everyday living and enjoyment, away from noise and tourism, yet close to all essential services.
