Outside, the house is complemented by three tool sheds, ideal for storing garden tools and equipment, as well as generous outdoor areas perfect for enjoying the peaceful rural surroundings. The swimming pool area provides an inviting space to relax and entertain.

Importantly, the property is fully legal and benefits from a RAFO (AFO) certificate, offering complete peace of mind to buyers.

The second part of the property is located opposite the road and consists of a rustic plot planted with olive trees, with ample space and potential, including room to build a carport or for additional agricultural or leisure use.

This finca is an ideal opportunity for those seeking privacy, space, and authentic Andalusian charm—while remaining just minutes from the coast and all essential services.
