There are homes you simply visit... and others you feel the moment you walk through the garden. This cozy ground-floor apartment, located in the Colina Park residential complex, allows direct access from the communal areas, with no lift and no steps — something increasingly valued by those who appreciate everyday comfort.

The property offers approximately 47.54 m² built area plus a 4.54 m² covered terrace, with a practical and welcoming layout including a living-dining room, kitchen, bathroom, hallway, terrace, and one independent bedroom, ideal as a primary residence, holiday home, or investment.

Important registry information:

Although the property is officially registered as a studio, the Land Registry description itself details the interior layout as comprising one bedroom, living-dining room, hallway, bathroom, kitchen, and terrace, matching the current configuration of the home.
