The residential complex is in a very privileged location, in the bustling town of San Luis de Sabinillas, with all amenities but in a quiet and safe area with 24-hour security.

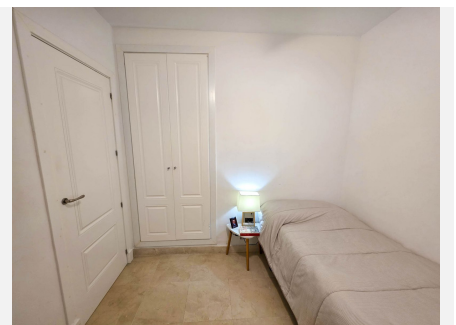

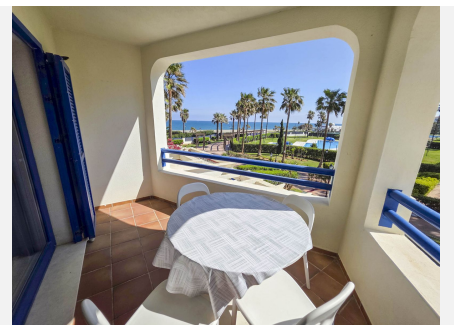

The urbanization has direct access to the promenade and features 2 paddle tennis courts, a communal swimming pool, a children's pool, and a playground. It has very well-maintained gardens with small fountains and benches that invite relaxation in the shade of the palm trees. It is also located right on the promenade that runs from Buenas Noches to La Chullera, making it ideal for long walks.

It is just a few minutes' walk from the town's sports complex with several tennis courts, paddle tennis courts, a heated sports pool, a sauna and spa area, a gym, as well as a range of different sports and aerobics classes for children and adults. Given its central location, there are several restaurants and bars nearby, and a large Lidl supermarket is located directly across the street.
