This attractive apartment has been refurbished to an high standard by the current owners with new doors, new bathrooms and a new more modern kitchen. Located in one of this complexes best south facing blocks. This is a must see property in the upper part of Calahonda and yet still walking distance to two good restaurants (under 7 minutes walk). What we really like about this apartment is that it has great sea views and gets lots of sunshine with a part covered terrace and part open terrace.
