We present this exceptional rustic property set on a generous 1,500 m² plot, a true private retreat where peace, nature, and comfort come together, offering a home with the essence and feel of a villa in a privileged location.

The main house, recently renovated, offers 88 m² built, thoughtfully distributed into 2 spacious bedrooms, 1 full bathroom, and a welcoming living-dining area with a built-in fireplace, creating a warm and elegant atmosphere all year round. The property benefits from large windows, allowing abundant natural light to flood the interior and enhancing the seamless connection with the surrounding greenery.

One of the standout features is the independent upper-level apartment, approximately 15–20 m², complete with its own private bathroom and pre-installation for a kitchen, making it ideal for guests, rental opportunities, or personal use. From this space, you access a charming private balcony, complemented by a chill-out area with sun loungers, perfect for relaxing and enjoying the peaceful surroundings.
