Just Received Another Villa Build Plot to add to our amazing portfolio of plots we currently have available to purchase.

Villa build land is located within the famous area called Urbanization Valtoledo, Mijas, Costa Del Sol.

The plot benefits from being 2365sqm in size and also has some of the best South facing views this location has to offer with a viewpoint across the countryside and towards the sea.

Planning permission was granted but unfortunately has now expired and needs to be re-applied for. Drainage, Water, Electric, plus villa build foundations and a supporting wall are already in place, great access road.

Contact us anytime for more info or arrange a site visit.
