Outdoors, the spaces are carefully designed for relaxation and enjoyment: a porch and solarium next to the swimming pool create an ideal setting for leisure and rest. The estate also features a garage for two vehicles with automated access.

Among its exclusive features, highlights include:

- An elevator with capacity for four people
- 110 m³ swimming pool with a stunning 3-metre-high waterfall
- Private tennis court
- Equestrian area with changing rooms, two horse stalls, and storage
- Main entrance with automatic gate
- 150-metre printed concrete walkway, decorated with pergolas covered with blue wisteria, wooden benches, and a semicircular fountain with 16 jets

The estate is equipped for efficient maintenance of its extensive green areas, with a 100,000-litre irrigation water tank and its own well with a submersible pump.

The landscaping includes an elegant French garden with rose bushes, palm trees, ornamental fountain, and ceramic benches, as well as two orchards: one with a variety of fruit trees and another with approximately 70 navelate orange trees.

The entire property is completed by illuminated gardens, enhancing the beauty of the estate also at night.
