Layout

Ground Floor

A welcoming entrance hall leads into the heart of the home — a large modern kitchen, finished to a high standard and perfect for family living or entertaining.

From here, the home flows into a big dining room with access to a charming terrace overlooking the gardens, offering the perfect setting for outdoor meals and relaxed evenings with friends and family.

The main living room is expansive, beautifully bright, and features two sets of large double doors opening onto a stunning side terrace and the mature gardens, creating a peaceful and private oasis.

A second hallway leads to two generous ground-floor bedrooms, both enjoying picturesque views of greenery and total privacy.

The master suite includes a luxurious dressing room and direct access to the swimming pool, a truly special feature.

The gardens wrap elegantly around the villa with walkways, terraces, and mature landscaping.

Upper Floor

The upper level offers two further spacious bedrooms and a large bathroom. This area feels complete and luxurious as it is, but also presents excellent potential for layout changes or additional design.
