Location, Location, Location this semi-detached house is located in a secure gated complex just one minutes walk to the beach in Cabopino. The house has two bedrooms and two bathrooms on the upper level with a sunny south facing terrace giving views to the communal pool and gardens. On the main level one has an entrance hall with an impressive marble staircase that give one the option to go to the top level or to its lower level. On this main level we have a large wide living & dining room leading out onto the main terrace and private garden, we also have a kitchen with a granite work top and a guest toilet. Everything here feels bright and light. We also have a lower level with an extra third bedroom and also a third bathroom and a wash room. There is also a lot of space here to develop the property even further and many other owners in this complex have done just that.
