Christie's Insight:

From our Real Estate Advisor, Sten Goosen, what makes this apartment particularly appealing is the way it reflects the lifestyle today's luxury buyers are increasingly looking for. A home is often the visible result of a much bigger decision about how someone wants to live. Here, the generous indoor-outdoor spaces, expansive private terrace, and beautifully furnished interior encourage a more connected Mediterranean way of living. Combined with full access to Higerón Resort's outstanding facilities, this is a residence that offers far more than square metres alone. It offers a lifestyle that people consciously choose.
