Commercial Premises for Sale on Ricardo Soriano Avenue, Marbella

Outstanding commercial premises located on Ricardo Soriano Avenue, one of Marbella's main commercial thoroughfares and one of the city's busiest and most sought-after business locations.

The property offers a total built area of 122 m², distributed over two open-plan levels, providing a versatile layout that can easily be adapted to a wide range of commercial or professional uses.

The ground floor, with direct access from the avenue, features a large display window that ensures excellent visibility. Its street-level position, in an area with high pedestrian and vehicle traffic, makes it an ideal location for businesses seeking maximum exposure.

In front of the premises is a wide pavement that enhances its commercial presence and provides easy access. It also represents an added value, as several neighbouring businesses have been authorised to use this space for outdoor terraces, subject to the relevant municipal licence and current regulations.
